Other than [illegible] that
there would be very few instances
where it would be normal for
$3.00 per day to adequately cover
costs since any arrangement
made no matter how cheap
would rarely be less than $1.00 per
per room + $2.00 per day will not
cover other expenses entitled to.
Therefore maybe we should change
the regulations to exclude the
$3.00 portion of the schedule or
change the scale to $4.00 $7.00 and
$5.00 -
